

# Easy breezy, low-cost, classroom management and teaching platform for schools

Forget EdTech fatigue... we're all about simple yet essential teaching tools to monitor and instruct in classrooms *and* with remote learners.

That's why teachers choose **classroom.cloud**. Its cloud-based teaching tools help deliver engaging and meaningful learning experiences for students in a safe online environment.

## Key features

- ✔ **Connect** to students' devices quickly and easily by a range of methods to get started with teaching and learning straight away.
- ✔ **Broadcast** your screen and audio to connected students to help show/talk them through explanations and lesson activities.
- ✔ **Interact** with students in real time via chat and messaging tools, answer help requests, gain instant feedback on topic understanding with class surveys, remote control their screen, and more!
- ✔ **Monitor** students' screens, see what they're typing, and who they're collaborating with - plus view their web and application use in real time to ensure they're on task.
- ✔ **Gain attention** by locking students' screens for maximum focus while you explain the lesson activity.
- ✔ **Stay focused** with 'allowed' and 'restricted' website/application lists to ensure students can only access relevant and appropriate websites during class.
- ✔ **NEW: Stay safe** at all times with the new safeguarding toolkit, helping keep your online environment protected by monitoring concerning activity, identifying students at risk and spotting safeguarding trends.
- ✔ **Use with** your already-established Microsoft SDS, ClassLink or Google Classroom platforms for maximum flexibility and to save time when setting up your technology-led lessons.
- ✔ **Multi-platform support** for use with a mix of devices ensures your school is future-proofed and can simply roll with the ever-changing tech landscape.
- ✔ **Learning continuity** is ensured, whether in school or remotely, with one set of clear, consistent tools.
- ✔ **Scalable** from the smallest school to the largest Trust!
- ✔ **Low cost**, low maintenance and cloud-based - win, win, win!

Our teaching tools make it easy to lead learning, no matter where you are - and they're simple to maintain too!
